

Clinical Supervisor

- Are you looking for a leadership position with a team focused on helping provide quality, trauma-informed services?
- Would you like to maintain a small caseload along with supervising and training staff?
- Are you looking for an agency culture of supportive professionals?
- Do you enjoy supervising a group of clinicians at all levels of expertise?

Phoenix Counseling Center is an outpatient substance use and mental health non-profit agency. We are a close-knit team of experienced clinicians and student interns. Our agency is small but growing both in size and scope of services.

We value diversity and recognize the importance of individualized services. We are aware of the role trauma has played in the lives of those engaged in our services and of the importance of connection as they move into recovery.

The Clinical Supervisor provides individual and group supervision as well as staff training and monitoring of documentation to ensure compliance with all State and Medicaid regulations. The Clinical Supervisor also directly serves individuals through a small caseload.

We offer our Clinical Supervisor:

- Competitive pay, depending on experience/licensure ranging from \$26-\$35/hour
- Health insurance
- Dental insurance
- Vision insurance
- Paid time off
- Paid holidays
- Currently, a remote position, transitioning to in-person as soon as possible
- Amazing family-like agency culture

Required Qualifications

- Current licensure as an LPC or MFT in the State of Oregon
- Meets requirements of the Oregon Board of Licensed Counselors and Therapists as a supervisor
- Current certification as a CADC II (or ability to be certified within 1 year of employment)
- Ability to pass a criminal and abuse background check
- Excellent writing skills
